distance learning (ODL) in Asia.

As an ODL institution, AeU's focus is to provide accessible and affordable higher education for all. In just seven swift years, AeU has established a remarkable reputation as the acclaimed institution of choice which provides knowledge acquisition for human capital needs in the region through e-education.

It offers more than 40 academic programmes at all levels through the five academic schools; the School of Management, School of Education & Cognitive

Science, School of Information & Communications Technology, School of Arts, Humanities & Social Sciences and School of Graduate Studies.

All academic programmes are internationally benchmarked, approved by the Malaysian Ministry of Education and accredited by the Malaysian Qualifications Agency. In addition AeU academic programmes are also recognized by several ACD countries as well as the non-ACD countries.

The university also offers more

than 200 executive and professional programmes through the School of Professional & Executive Education and School of Technical Education, Engineering and Re-skilling.

Since opening its door in April 2007, AeU today has an enrolment of more than 16,000 students, and has seen over 5,000 graduating thus far.

By delivering a world-class learning experience, AeU aspires to be the leader and the premiere educational hub in the promotion of affordable quality e-learning throughout Asia.
