

AeU's online study leaves you free as a bird

KUALA LUMPUR: Asia e University (AeU) is a young contemporary university with a reputation for being innovative, nimble and friendly. AeU believes that everyone, everywhere has a right to Higher Education.

It's a path that leads to both personal progress and enrichment. For some though, there are hurdles along the way – whether its geographical constraints, financial concerns, family commitments or not just quite believing you can do it.

In today's busy world you can't always adjust your schedule to free up big chunks of time. We understand this. Studying at AeU puts you firmly in the driver's seat. We don't set the study limits, you do. We give you the flexibility to study when and how you want, so you can fit your studies into your busy lifestyle.

We appreciate that our students are busy working professionals who have to balance study with careers and family life. Some study at home, other before or after work – and some even study while travelling. Our goal is to bring the classroom, and everything you need for your studies, to you – no matter where you are! And if you need to relocate in pursuit of your career, you simply continue your study programme as normal. No interruptions, no fuss. An approach that has enabled thousands of students to graduate entirely through online independent study.

If you are looking to enhance your professional career, studying online is one of cost effective convenient and flexible ways to gain a postgraduate qualification, regardless of your geographical location, work or personal commitments.

The AeU's structured online programmes allow you to study for your degree in a unique virtual learning environment and still have access to all the support and facilities you would expect to receive on campus. Our online programmes are of equal value to on-campus programmes, the only difference is the flexible way the courses are studied.

Our online programmes are also just as flexible when it comes to time. You can take as long or as short a time as you need to complete your study programme; you can even take a break should your personal or career circumstances change significantly.

Whether you're a student who has just completed your undergraduate studies or you are looking to enhance your professional career, our flexible online postgraduate programmes allow you to work and study at the same time.

One of AeU's most sought after online programmes is the Master of Education (MEd) degree. Currently AeU is having a festive promotion for Online MEd programme. The

AeU's new registered student of MEd, Jan 2019 Intake, Christine Thiam Kuan Yee, a teacher of Tadika Mahkota Pelangi, Puchong.

Festive Special fee offer for the Online MEd programme is RM11,880 (all inclusive).

Students will have the advantage to choose one concentration area to specialize from AeU's Online MEd programme which offers 9 core courses plus 2 courses and a project paper. The concentration areas are Early Childhood Education, Teaching English as a Second Language, Educational Management, Educational Psychology, Instructional Technology, Curriculum & Instruction, Assessment & Evaluation, Science Education, Mathematics Education and Teaching Bahasa Malaysia.

Admission for the Online MEd programme is through regular entry and may also go through the flexible APEL entry for those who lack the paper qualifications requirements stipulated in the regular entry. For APEL, candidates are assessed by their prior learning and work experiences to compensate for the lack the regular requirements.

We understand that our students are busy working professionals and educators who have to balance study with careers and family life. At AeU, you need not to leave work for a month, a year, or even every weekend. In fact, you are never required to be online at a specific date or time – a feature of our programme that allows you to study from any time zone, any part of the world and any time of day and night. Our Online MEd programme is designed to fit around you. At AeU, we bring the classroom to you.
