

LEE Guek Bee, MEd graduate & recipient of the Chairman's Award in 2017.

## Award Winning Asia e University Graduate shares her Testimony for Success

**A**sia e University's (AeU) Master of Education (MEd) graduate of 2017, Lee Guek Bee, age 51 is a teacher and mother of two children; a son age 20 and daughter age 16, from Sibuluan, Sarawak knows this all too well and shares her testimony.

Lee Guek Bee shares her Testimony from an Interview during her student days

Lee shared, "Stepping into Asia e University is one of the best decisions I have ever made. AeU is the answer to my relentless pursuit of postgraduate studies without having to leave home and family behind. Besides, AeU's quality of programmes and standards are also internationally benchmarked, approved and recognised by the Malaysia Ministry of Education and accredited by the Malaysian Qualification Agency. The fees are also affordable."

Lee continues, "As a senior Science teacher the course contents are relevant and a valuable

learning experience that was applicable to real life classroom situations. In addition, I am impressed with the resource rich digital library which gave me easy access to many worldwide educational perspectives."

I enjoyed AeU's flexibility mode of learning, especially using myPLS online platform which gave me the opportunity to complete the subjects according to my pace and allowed me to study at anywhere anytime without giving up my work and quality family time," she adds.

She testifies, "AeU's mode of learning, using myPLS online platform was interesting and applicable to my course of study. Understanding how to devise a proper time management and prioritisation helped me to find a balance between expectations that helped me juggled my commitments.

I learned to prioritised and planned my daily schedule ahead to complete my assignments and at the same time making sure that I spent quality time with my family. My supportive family was able to help me during my MEd course, leaving me to fully focus on my studies. My family is my pillar of strength and motivation during the course my studies,'

she admits.

She cherished her pride on receiving the Chairman's Award

At AeU's 7th convocation, she was a proud recipient of the Chairman's Award, a Prestigious Award of Excellence from AeU in 2017.

"My AeU learning experience is enriching and memorable. I never dreamt that I would fall in love with doing research. It gives me a sense of self-actualisation that mere words can't describe. Through it all, I aspire to inspire the passion of lifelong learning and self-development, both in the young and the old alike," Lee enthuses.

"I would like to thank my awesome lecturers, course mates and family for their unwavering motivation and support. All of you made my lifelong learning a breeze. Thank you AeU for bringing out the best in me," says Lee.

### About AeU

AeU is a collaborative multi-mode university established under the auspices of 34 Asia Cooperation Dialogue (ACD) countries. A key feature in AeU's strategic plan is to embrace the digital frontier and provide students with an immersive personalised and borderless education

experience with goals of flexibility, quality and relevance, anytime, anywhere, any size and on any device. A highly accessible, visually rich and interactive digital presence enables school leavers, working and non-working adults to achieve at their own pace no matter where they are geographically, academically or where they were in their life or career stage.

The 2017 Setara Ranking has ranked AeU as a "Very Good" university among a total of 71 universities ranked in Malaysia. It emerged as top among the open and distance learning (ODL) universities.

Today AeU has 15,000 graduates and cumulative student numbers exceeding 29,000. This is a testimony on AeU's capability to produce high-calibre graduates. Besides, AeU has over 3,000 students taking its programmes at its collaborative learning centres abroad including those in the Middle East, Europe, Asia and Africa.

AeU's annual intakes are in January, May and September. However, intakes for all postgraduate (by research) programmes are open throughout the year. For further enquiries, please call Tel: 1300 300 238, +603 5022 3400 or apply online at [www.aeu.edu.my](http://www.aeu.edu.my).
